

# SHREG 2022

## Meeting of the Scottish Human Reproduction and Embryology Group

Apex City Quay Hotel & Spa, Dundee 29 - 30 April 2022

### About SHREG

Scotland's very own fertility meeting is returning and will be hosted for the first time in the City of Discovery - Dundee. Organised by colleagues in the School of Medicine, University of Dundee and the Assisted Conception Unit, Ninewells Hospital, this two-day meeting will bring together the brightest minds in the field, including national and international fertility experts, for networking, discussions and developing ideas for ART.

## Registration Open and Call for Abstracts

Dear Colleague,

We are delighted to announce that Registration is now open for our **SHREG 2022** meeting on **29 - 30 April 2022** at the Apex City Quay Hotel & Spa, Dundee. The meeting will give trainees, students and delegates an opportunity to showcase their work in poster format (all delegates) or as an oral presentation (trainees and students), and submissions are now open for abstracts.

**Delegate Fee:** £95.00 - includes attendance at the 2-day meeting with refreshments, and lunch, evening meal and social event with music on Friday 29th April. This does not include accommodation, please book your own, see information below. *Places at the meeting are limited so please register early to avoid disappointment.*

**Call for Abstracts:** you are invited to showcase some of your work at this year's SHREG meeting in the form of a poster (all delegates) or an oral presentation (students and trainees). Prizes will be awarded at the close of the meeting for the best presentation in each category.

Please forward this announcement to any of your colleagues who may be interested in attending.

Looking forward to seeing you in April!

Best wishes,

Dr Vanessa Kay  
*and on behalf of all the SHREG team.*
