

# SHREG 2022

## Meeting of the Scottish Human Reproduction and Embryology Group

Apex City Quay Hotel & Spa, Dundee 29 - 30 April 2022

### About SHREG

Scotland's very own fertility meeting is returning and will be hosted for the first time in the City of Discovery - Dundee. Organised by colleagues in the School of Medicine, University of Dundee and the Assisted Conception Unit, Ninewells Hospital, this two-day meeting will bring together the brightest minds in the field, including national and international fertility experts, for networking, discussions and developing ideas for ART.

Dear Colleague,

We are delighted to announce that [Gedeon Richter](#) are able to offer the following workshop prior to SHREG 2022 on the morning of Friday 29 April 2022 in the Melbourne Room at our conference venue Apex City Quay Hotel:

### Advanced simulations in reproductive medicine: ovarian pick-up and embryo transfer demonstration

Gedeon Richter are not promoting or selling the simulator devices, they are providing these sessions to allow you to have a go at egg retrieval and embryo transfer.

Places are limited to 15 delegates in 3 x 1 hour sessions which must be booked in advance.

1<sup>st</sup> Session 9am to 10am  
2<sup>nd</sup> Session 10am to 11am  
3<sup>rd</sup> Session 11am to 12noon

Email Claire Brockie [brockiec@gedeonrichter.com](mailto:brockiec@gedeonrichter.com) directly to secure a place. Places are on a first come first served basis.

Only registered delegates attending SHREG 2022 can attend the Workshop.

Not registered yet to attend SHREG 2022, there is still time to [register HERE](#) to ensure your place.

Please forward this announcement to any of your colleagues who may be interested in attending.

Looking forward to seeing you in April!

Best wishes,
