

Scottish + Radiotherapy Physics 2023 Annual Scientific Meeting Conference Privacy Statement

Summary

The Scottish + Radiotherapy Physics 2023 Annual Scientific Meeting organisers are supported by NHS Tayside and Dundee & Angus Convention Bureau.

By registering as a presenter or delegate for the Scottish + Radiotherapy Physics 2023 Annual Scientific Meeting you give us permission to contact you about the conference, including events either side of the conference, post conference evaluation and any future Scottish + Radiotherapy Physics conferences and events. Your information will only be used by us.

Due to the sensitive and confidential nature of the content being shared at the conference, we will not be recording this event. Attendees will be asked to respect the privacy of the content within presentations and posters.

The Detail

The personal information you provide us will be used by the conference organisers to help organise and evaluate.

Details will be stored in accordance with current data protection legislation for 12 months after the event. The information you provide us on registration will not be shared with third parties except in the following necessary ways:

1. Name, email address, institute, research interests and talk details will be published in the conference programme, which will be published online.
2. Name and dietary requirements will be given to any venue or catering organisations used for the conference.
3. Name and appropriate accessibility requirements will be disclosed to the conference venue where assistance may need to be arranged.
4. Name, email address and institute for the purpose of keeping you informed about the planning of the conference.
5. Dundee & Angus Convention Bureau will administer a post event evaluation survey on behalf of the Scottish + Radiotherapy Physics 2023 Annual Scientific Meeting. No identifiable information will be required to complete the survey.
6. Name, email address and institute will be held for the purpose of informing you of future conferences and events which may be of interest to you.
7. By law, all delegate information may be shared with law enforcement agencies bearing a warrant for the detection and prevention of crime.

If your details change after registering for the conference, we encourage you to notify us of any changes by emailing Sankar.Pillai@nhs.scot to allow us to update your details.

You can request a copy of all details we have stored about you in relation to the Scottish + Radiotherapy Physics 2023 Annual Scientific Meeting. Please email Sankar.Pillai@nhs.scot with any requests for a copy of your records.

If you are no longer planning to attend the Scottish + Radiotherapy Physics 2023 Annual Scientific Meeting for any reason, and you wish your information to be removed from our records, please email Sankar.Pillai@nhs.scot.
