

## Privacy Statement

### Summary

The event organisers are Dewar Cyber Consulting supported by the Atlantic Council and Dundee & Angus Convention Bureau.

By registering as a participant or attendee for the Cyber 9/12 Strategy Competition, you give us permission to contact you about this event, post event evaluation and any future Cyber 9/12 events. Your information will only be used by:

- Dewar Cyber Consulting,
- the Atlantic Council
- Abertay University
- And Dundee Council's Dundee & Angus Convention Bureau for these purposes.

Due to the nature of the event, we will not be recording this event and attendees will be asked to respect the privacy of participants and the content within event presentations.

### The Detail

The personal information you provide us will be used by the event organisers to help organise, execute and evaluate the 2022 Cyber 9/12 Strategy Challenge competition in Dundee, Scotland.

Participant details will be stored in accordance with current data protection legislation for 12 months after the event. The information you provide us by registering will not be shared with third parties, except in the following necessary ways:

1. Speaker's names, affiliations, research interests and talk details may be published in the event programme and/or published online.
2. Attendee's names, email addresses and affiliations will be held by Dewar Cyber Consulting and the Atlantic Council keeping you informed about the planning of the event. This information will be shared with Dundee & Angus Convention Bureau Congress Hub in order to fulfil participant accommodation requirements.
3. Names, meal choices and dietary requirements will be given to any venue or catering organisations used for the event.

4. Name and appropriate accessibility requirements will be disclosed to transport providers, accommodation providers and event and social venues where assistance may need to be arranged.
5. Names, email addresses and affiliations will be used by Dewar Cyber Consulting and the Atlantic Council for the purpose of administering the post-event evaluation survey.
6. Names, email addresses and affiliations will be held for the purpose of informing you of future events which may be of interest to you.
7. By law, all attendee information may be shared with law enforcement agencies bearing a warrant for the detection and prevention of crime.

If your details change after registering for the event, we encourage you to notify us of any changes by email to allow us to update your registration details.

You can request a copy of all details we have stored about you in relation to Cyber 9/12 Strategy Challenge competition. Please email us at [cyber912scotland@dewarcyberconsulting.com](mailto:cyber912scotland@dewarcyberconsulting.com) with any requests for a copy of your records.
